Summary: My second poem! I can only hope it's even remotely as good as some here. Anyway, it's a poem from Matt to T.K. And yes, they're my fave characters so it's only natural I'd write poems 'bout them! Please r/r!

Memories

Memories

Do you remember, little brother?

I taught you to fly a kite

Do you remember, little brother?

You were afraid of things that went bump in the night

I remember, little brother

We've been through so much together

I know I'll love you forever

When life's paths bring whatever

Memories are so precious, true

They mean the world to me

Do they mean as much to you?

Because my brother you'll always be

Hold on to your memories

They'll be with you always

Of your life, they are summaries
They are the way through life's maze
Do you remember, little brother?
I'll love you as long as I live
Do you remember, little brother?
To me, your love you give

End
